Wash in hot, soapy water. Rinse well and dry.

USE & CARE

Before first use, please remove any stickers found on the bakeware and rinse all the pieces with hot, soapy water. Use a soft cloth or sponge and warm soapy water to clean the bakeware, then towel dry them after every use. **Never** use steel wool or abrasive cleansers to clean as these may damage the bakeware.

Excessive pre-heating of empty bakeware may cause damage to the bakeware. The bakeware is suitable for gas and electric ovens. When using your bakeware, please note that it is oven safe up to 450°F. Please note that the bakeware gets hot while cooking. Use an oven cloth or mitt for protection.

Always use nylon, plastic or wooden utensils for removing food. Avoid using metal utensils such as sharp knives or forks which may damage the surface coating.

Do not use the bakeware in a microwave oven or wash in a dishwasher.
Warning: **Do not** use if the enamel bakeware shows any wear, scratches or chips.
